Randy,
You a sweet, sometimes shy guy who I think is really good looking. I'll never forget the fun times we've had together. I hope life brings you very few disappointments and loads after loads of good times. If you stay the way you are you'll go really far. I can't believe we've only been friends for two years because it seems like our friendship has been going on for more than that. I hope we become better friends in the future.

'87' Love ya,
Sara Cole
